

**LANDSCAPERS:** Get the edge on a new market demand!

*Westchester municipalities are encouraging property owners to retain leaves on their own properties. Be ready to meet the growing market demand for on-site mulching & composting, and profit by offering this cost-effective service!*

## **Not mulching client leaves on-site? You're wasting time & money!**

**Find out why at our "how to"  
landscaper training:**
