**PLEASE SUBMIT SIX COPIES OF THE FOLLOWING APPLICATION REQUIREMENTS:**

Refer to BVHDRC Application and Review Process for exceptions

- Survey of plot showing existing buildings and exterior site features including landscaping. Min. scale 1" = 50'
- Scaled drawings showing plans and elevations of proposed construction, including detail drawings of relevant architectural features. Include topographic information for landscape changes.
- Color Photographs showing existing conditions to be changed and views from public ways which may be altered.
- Samples or clear photographs and drawings of proposed materials and colors

**Signage and lighting:**

- Scaled drawings showing location on site, size and placement. Signs must show lettering style, size, placement and color on 1/2" = 1' scale dr. (Black on white background with Caslon Old Style or similar font strongly preferred)
- Sample or clear example of materials.

The applicant gives permission to the Town of Bedford and the BVHDRC to enter the property described above for purposes related to the above application at reasonable times, with permission only from the owner or tenant in possession.
