

Rippowam Cisqua School  
in association with  
The Town of Bedford's Energy Advisory Panel  
presents

# “How the 21<sup>st</sup> Century Requires a New Kind of Environmentalism”

*featuring Andrew C. Revkin,  
New York Times reporter and blogger*

Wednesday, November 12, 2008 at 10:00 am  
Rippowam Cisqua School  
325 West Patent Road, Mount Kisco, New York 10549

*In forging a decent life for nine billion people on one planet,  
solutions to some problems create others. Andrew C. Revkin, prize-winning author and  
New York Times environment reporter and blogger, will share how the twenty-first  
century  
requires new strategies in the classroom, living room, and boardroom.*

Part of the Rippowam Cisqua School Foundations of Education Series.
