

Bedford Village Day Camp

Parent Handbook

Dear Parents:

We would like to welcome you and your child to the 2010 Town of Bedford Day Camp Season! We are very excited about the upcoming camp program as we have trips, activities and special events planned which we're sure your child will enjoy.

Each hamlet park will host a day camp for youngsters Entering 1 – 7th grade in the fall. Our Day Camps do have rain location incase of in climate weather. Our Tiny Tot program will be held at local school buildings and is available for youngsters 3 ½ to 5 year olds.

Our camps will be offering a variety of activities and special events for the campers to enjoy each day. Arts and crafts, athletics, science and nature, and music are all part of our fun filled day. Daily swimming lessons will compliment well with our well-rounded Day Camp program. For Tiny Tots there is an additional fee for lessons and parents are responsible for transportation between locations.

The first day of camp can be a difficult time for parents, campers and staff. With your cooperation, we can minimize a lot of confusion by following the policies and procedures outlined in this booklet. Therefore, we encourage you to take the time to read and understand this booklet and please feel free to call us should you have any questions.

Sincerely yours,

The Town of Bedford Recreation and Parks Department
And the Bedford Day Camp and Tiny Tots Staff

Have a Great Summer!!

Permit

The Town of Bedford Day Camp Program:

1. Must have a permit from the Westchester Department of Health in order to operate.
2. Is required to be inspected twice yearly.
3. Required camp safety plans, medical and fire safety plans and inspection reports are on file at the Westchester County Department, Bureau of Public Health Protection, North Bedford Rd. Mt. Kisco, NY, and are available for your review.

Staff

Westchester County Department of Health requires day camps to maintain a counselor/camper ratio of 1:12. Most of our camp directors are certified teachers and well qualified. All Staff must attend pre-camp orientation training. Our specialists and directors are all trained in Responding to Emergencies and CPR for the Professional Rescuer.

Staff Identification

White Shirts- Directors, Assistant Directors, and Specialists- Ages 20 and older

Group Assignments:

Grouping is done by grade entering in the Fall and by gender. The grouping is as follows:

- 1 Girls/BoysEntering 1st Grade
- 2 Girls/Boys.....Entering 2nd Grade
- 3 Girls/BoysEntering 3rd Grade
- 4 Girls/BoysEntering 4th Grade
- 5 Girls/Boys.....Entering 5th, 6th or 7th Grade

*** There are times that we may split groups due to size***

Daily Routines:

Morning-9:00-12:00

We start the day with a 20 minute camper arrival and announcement period. The rest of the morning will consist of five 30 -minute periods. During that time groups will be lead through various activities, which include swimming lessons, Arts and Crafts, Athletics, Tennis and many other counselor run activities. For the younger campers there may also be a short snack time.

Lunch- 12:00-12:35

Afternoon- 12:35-2:40

The afternoon consists of five 25-minute periods, where the campers will take part in several different activities. This may include free swim, big camp games, interest groups, special entertainers, and counselor run activities.

Notes From Home

For the safety of your camper, written parental permission (note) must be sent for the following:

- If your camper is to leave camp with a friend, neighbor, relative, or someone other than his or her usual ride. If your child's counselor does not receive a note, your child will not be released.
- For car pools or arrangements that will last for the whole summer, one note specifying days and person picking up/ dropping off your camper will be kept on file for the summer. Please note that we will need written permission for everyone in the car pool.
- Please arrange in advance a plan for early dismissal due to inclement weather. We will need to know who we can and cannot release your child to. We will use emergency contacts as approved persons to pick up you child at any time.

***Notes should specify your camper's name, group, and counselor as well as the other pertinent information.

First Aid

In the event that your child becomes ill or injured during the camp day they will be escorted to the camp office and cared for by one of our trained staff or our camp EMT. If the situation warrants, the camp staff will contact you. Depending on the severity of the injury the child will either stay at camp, be picked up, or if needed the Bedford Police and ambulance will be called to assist with medical issues.

Medical Forms

If your child is required to take any type of medication during camp hours, a Medical Authorization Form **MUST** be filled out by the parent and physician, and handed in with the medication the first day your child attends camp. Medication will be kept in the camp office and our staff will oversee and supervise the child in self-administering their own medication. By law, camp personnel cannot dispense internal medication to the child unless they are a NYS licensed physician, nurse practitioner, physician assistant or registered nurse.

Written permission can be given by both the physician and parent to allow the camper to carry medication that is needed for emergency purposes (i.e.; epi pen; asthma inhaler).

All medication must be in their original container and labeled correctly.

Allergies

The Town of Bedford cannot guarantee an absolute allergen-free environment. However, it is the goal of this policy to create a peanut/nut awareness camp. We ask for your cooperation in working towards this goal.

It is important that children with risk of anaphylaxis or an anaphylactic reaction to any substance (food, insect bites, drugs ect.) be identified. We encourage families of campers with life threatening or serious food allergy to meet with directors during the start of camp.

We have the following guidelines in effect:

- We will not do any craft projects that include peanuts
- We will keep a box of wipes in the office. If a camper eats peanut butter for lunch he or she will be asked to wash their hands of the oils.
