Dear Voter,

Your neighborhood needs your help!

With the elections rapidly approaching, those who have volunteered to serve at the polls for many years are willing and committed, but, at this point, there are too few of them. They are going to need help. Would you consider joining them as a poll worker?

If you've ever given thought to serving your community in this way, now would be a good time. If you can give your time, we will give you the training, the opportunity to work side by side with your neighbors or friends and, more than likely, meet some neighbors you have never met.

More importantly, you'll play a fundamental and vital role in the democratic process . . . assisting the voters in casting their ballot. You even receive a stipend of \$225 for the day for being a part of a team of fellow poll workers working to "make democracy happen" in your area.

So, if you are willing and able, it's time to lend a hand to help those dedicated individuals who have already committed to serve on Primary Day, September 15th and Election Day, November 3rd.

It's a long day - approximately 5:30 a.m. to 9:30 p.m. - but you will go to sleep at night knowing you accomplished something worthwhile that directly benefited the people in your community, and you might just have some fun at the same time!

So, check out our website at www.westchestergov.com/boe to fill out an application or call us at (914) 995-5702 or (914) 995-8568 and we'll get back to you ASAP.

Sincerely,

CAROLEE C. SUNDERLAND
