Re: Cherry Street Sidewalk Improvement Project
Town of Bedford

Please be advised that construction for the referenced project is scheduled to start on Wednesday, September 3, 2008. Preliminary project work will include clearing, rock removal, tree removals and stumping during that week. Any further updates will be made as needed.

We apologize for any temporary inconvenience the construction may cause, and we will do our best to keep the inconvenience to a minimum. Your anticipated cooperation and patience is appreciated. If you have any questions concerning the project, please contact Mr. Paul Volpicelli of Hahn Engineering at your convenience (845-279-2220).
