Westchester County Mobile Shredder will also be available to all County residents on Thursday April 29th from 8:00am to 2:00pm at the Crusher Road Facility. This free public service is intended for residents to shred their personal documents. Papers from businesses or commercial enterprises will not be accepted. Residents may bring a maximum of two file boxes. To speed up shredding and reduce waiting time, residents must remove all metal clips, fasteners, binders, folders and hard covers and place the papers loosely in a box. Hard covers – cardboard or plastic covers on items such as ledger books, marble composition books and hard-cover books – are not acceptable. Residents may rip away pages from these hard cover books for shredding and throw the covers in their household trash.
