

WATER MAIN BREAK – BEDFORD CONSOLIDATED WATER

Monday, August 30, 2010 3:45PM

There is a water main break still affecting the Bedford Consolidated Water district – Katonah and Bedford Hills. Water Department crews are working to locate the break.

We will have water tankers located at the end of Cottage Terrace, in the wide section of Lakeside Drive, and in the parking lot at 425 Cherry Street for residents to fill up water bottles or jugs until water service is restored.

If you or anyone you know is homebound. Please contact us at 666-7855 with their information.

Conserve all water use. You may experience reduced pressure, low flow or no water at all. We will keep you updated with any additional information as it becomes available.

If any residents see water surfacing, please contact the Water Department immediately at 666-7855
